Kingdom Economics

**GOD WANTS TO EMBARRASS YOU
WITH WEALTH.**

**HAVING MORE THAN ENOUGH IS HIS
IDEA....BUT WE MUST DO IT HIS WAY**

COURAGE TO BE RADICAL

DOMINION MANDATE: Genesis 1:26-28

- **The bible is about a supernatural country—heaven. Heaven is the original country God created and is the center of power. We don't belong to earth. We came from heaven and sent to earth to colonize earth for the Kingdom Of Heaven.**

Kingdom Economics

- **In the wilderness everything was provided.**
- **There was not one feeble person among them (Psalm 105:37)**
 - **For 40 years: no sickness;**
 - **For 40 years: no one's clothes wore out—**

Kingdom Economics

- In that period of 40 years, there were no wars that they didn't win.
 - Everyone who attacked them lost.
- In that one country, they had **one** **government** and His Name was Jehovah Adonai Elohim.
- He went before and behind them.

Kingdom Economics

- That's the way they lived and it wasn't because they were special, **but because God wanted them to be a prototype of what is supposed to be like on earth.**

Kingdom Economics

- **BUT THAT NOR GOD WAS ENOUGH....**
- **WE WANT OUR OWN GOVERNMENT—
OUR OWN SYSTEM.**
- **WE HAVE A SOLUTION.**

Kingdom Economics

- OVER TIME WE DEVELOPED OUR OWN SYSTEMS AND TODAY, HAVE THE BEST SYSTEM CREATED BY MAN.
- **DEMOCRACY**: MAN'S MOST SUCCESSFUL FORM OF GOVERNMENT AND IT IS THE MOST BALANCED AND FAIR ACCORDING TO OUR INTERPRETATION OF IT; YET ITS ORIGIN IS NOT THE BIBLE.
- **THIS IS IMPORTANT BECAUSE SOMETIMES WE CONFUSE DEMOCRACY WITH GOD'S WILL.**

Kingdom Economics

TENETS:

1. The power of **the people** and their rights.
 2. Built on **private ownership**.
 3. Built on **personal** pursuit [it teaches you that **you** should pursue the right to be happy; the right to be **personally** rich; and the right to be **personally** secure].
- I.E., It encourages **personal** pursuit.

Kingdom Economics

- TENETS:

4. Government of the people **by the people**. [In other words, the government of the people is **by the people themselves**].

5. Individualism: It focuses on **individual** success and **individual** prosperity. Get all **I** can, put it in the can and sit on the can.

IN OTHER WORDS: ***IT'S ABOUT ME AND MY FOUR AND NO MORE.***

Kingdom Economics

WE WERE TAUGHT AT AN EARLY AGE TO GO TO SCHOOL, GET AN EDUCATION SO YOU CAN GET A GOOD JOB SO YOU CAN PAY YOUR BILLS AND YOUR MORTGAGE AND BEFORE YOU DIE, HOARD ENOUGH TO GIVE TO YOUR CHILDREN.

AND WE HAVE BEEN TRYING TO DO THAT. WE HAVE ACTUALLY BEEN TRAINED TO LIVE OFF OF WHAT WE CALL A SALARY.

SO THE AVERAGE PERSON IS **CONDITIONED TO DEPEND ON A SYSTEM THAT HAS BEEN PUT IN PLACE BY MAN**

Kingdom Economics

- **THE BIBLE SAYS BE IN THE WORLD BUT NOT OF THE WORLD—(John 17:14-15)**
- **THAT WORD “WORLD” MEANS SYSTEMS.**
- **IT MEANS YOU ARE IN IT, BUT DO NOT BE A PART OF IT. THAT MEANS YOU CAN BE IN THE SYSTEM, BUT DON'T DEPEND ON THE SYSTEM FOR YOUR SURVIVAL.**

Kingdom Economics

- BUT, MOST SEE THE GOVERNMENT AS GOD.
- WE LOOK TO THE GOVERNMENT FOR JOBS, SECURITY, PROTECTION, AND TO PROVIDE MONEY OR ACCESS TO MONEY.
- IN OTHER WORDS, THE GOVERNMENTS' OF THE WORLD HAVE BECOME GODS TO GOD'S PEOPLE, **AND WHAT HAPPENS WHEN YOUR GOV'T IS FAILING? WHEN YOUR GOD IS SICK, WHAT DO YOU DO?**

Kingdom Economics

**YOU PANIC; YOU STRESS OUT;
YOU HOARD FOR FEAR OF
SCARCITY.**

**OUR UMBILICAL CORDS ARE
CONNECTED TO THE SYSTEMS OF
THIS WORLD AND...**

Kingdom Economics

**IT'S KILLING US—ROBBING OUR
PEACE; OUR LOVE; OUR
INTIMACY.....[LEADING CAUSE OF
STRESS IN RELATIONSHIPS]**

Kingdom Economics

STRESS AND DISEASE:

“Stress has a profound impact on how your body’s systems function...”

- Health experts are still sorting out whether stress actually causes cancer. Yet there’s little doubt that it **promotes the growth and spread** of some forms of the disease. Put simply, stress makes your body more hospitable to cancer.”
- *Source: Lorenzo Cohen, Ph.D., professor of General Oncology and Behavioral Science, and director of the Integrative Medicine Program at MD Anderson.*

Kingdom Economics

- There is so much stress because not only are individuals having personal failure in their life, in their jobs and businesses, but **entire governments** are failing and again, we must all **ADMIT** that we look to government a bit too much.

Kingdom Economics

- **THE WORLD IS GOING INTO A SPIRAL.**

- **GLOBAL FINANCIAL MELTDOWN**

Con't countries suffering the worst effects of the global financial meltdown.

8: *United Arab Emirates: “Until recently, Dubai, the most populous city of the seven emirates, seemed to be growing at a ridiculous speed, with new structures being erected at a rate of knots. Media companies moved to the city, and new businesses relocated to the boom town. Today, the construction sites are almost at a standstill, unemployment is rising, and retail stores are displaying “80% off” discount signs on their windows--signs which aren't so good for the city, or the country.”*

8: United Arab Emirates:

But then, many people were wondering how long the gold rush would last in Dubai. How elaborate could a desert seaside town become before the overindulgent spending was stopped in its tracks? Dubai, unwittingly, has become a perfect miniature example of the global economy today.

Kingdom Economics

There is something going on in the world that man cannot solve.

This means we now must assume that SOMEONE else is orchestrating this.

Kingdom Economics

- **God's has us just where He wants us.**
- **He is so excited that the world's economies are falling apart.**
- **God is going to watch us be reduced to Him again.**

Kingdom Economics

- **We've been depending on our philosophies so much; we've been depending on our ideologies so much, that God is exposing the futility and the actual failure of all of our ideologies that we have been worshipping.**

Kingdom Economics

- God is saying: I am going to prove to you all that your economies don't work so you can all think about **Mine.**
- **AND YES THE KINGDOM HAS ITS OWN ECONOMY.**
- **IF WE GET THIS WE WILL BE FREE FROM WORRY FOREVER.**

Kingdom Refresher

When Jesus told (and still tells) you not worry (Mathew 6:25-33), He was protecting you from sicknesses and diseases.

If he tells us not to worry about what to eat, what to wear and how to live, He must know something that we don't ...

Economics has nothing to do with money in heaven.

- **They walk on gold in heaven.**
- **We wear pearls and He made gates out of it.**
- **We fight over diamonds, and the bible says the rug in heaven is made out of diamonds.**

Kingdom Economics

- **What a mentality. That's why when Christ came to earth he was shocked when the disciples were worried about bread.**
- **He said, why would you worry about what you will eat? You guys are worrying about what you eat. We walk on gold in my country.**

Kingdom Economics

- **This is something we missed.**
- **We think wealth is money. And Jesus said money is the least.**
- **If we get this, God is going to invade our lives and embarrass us with wealth.**
